## Tingha Regeneration Program

The Role of Tingha Regeneration Inc. (TRI)

TRI seeks to bring together all of the community, all cultures and all interests under a common bond to regenerate Tingha - Economically Socially and Environmentally.

Our progressive aims:

- To progressively make Tingha a cleaner, safer, more attractive place to live, work and play.
- To promote and support the development of new small businesses, new industry, improve community services and our total environment
- To facilitate or develop training and job opportunities.
- To help break down the diverse social and economic barriers and find our future by healing the past.
- To provide confidential mentor support to individuals searching for a path in their life and future.
- To make **TINGHA** Australia's MODEL for Small Community Regeneration.

Your Part:

To achieve our goal sooner rather than later, we need to strengthen TRI and bring much of the community on board.

You can help by becoming a formal Member of TRI - supporting our aims. You can also be an active member in any branch of the Tree of Small Community Regeneration - in Projects and Activities as you are able, under our Code of Common Unity. \*
